OTNW is a loosely organized crime watch group serving the Old Allentown Historic District. Our boundaries go from 12th to Hall Streets, from Liberty to Linden Streets.

We meet the last Wednesday of each month from 7 to 8 PM at the Youth Success office, 250 N. 8th Street, Allentown, next to Nixie's Nail Salon.

We hold two events each year, the 11th Street Festival in June and a Christmas village in December.

We want your energy!

OTNW celebrates the diversity in our neighborhood. Our meetings are in English, but if you find your way there, you will be heard. We email the Chief of Police and other relevant officials with concerns about crime in our neighborhood. Have a problem? Let us know and we will try to get it solved for you. You are not alone, we have helped many rid their block of drug dealers, loud neighbors, squatters, prostitutes, and dirty people. You have neighbors that care about you!

Some of Our Achievements...

- *Neighborhood walks with the police and other officials*
- *7th year for our block party/street festival on 11th Street*
- *Partnered with Old Allentown Preservation Association and our dear friends, Neighborhood Housing Services of the Lehigh Valley on many projects*
- *Connected with area businesses and got them involved with our events and projects, including helping them when they need it*
- *Raised money for the APD, our old meeting site and others*
- *Field trips to the Com center, Central Fire Station, and more*
- *Assisted the Central Fire Station through painting their furniture and walls, murals, furniture donations, including new mattresses, new dining chairs and most recently 5 new recliners!*
- *We received multiple awards from the Allentown Fire Department*
- *Our president Sharon won the Allentown Human Relations Award in 2009*
- *Started the Christmas Village event last year with help from Target and others to great success.*
- *We have lots of little achievements for many neighbors, just ask around, from chasing off prostitutes, to getting rid of drug addicts, or reaching out to people who felt alone.*

If this sounds good to you, show up at a meeting sometime. We'd love to have your help and friendship. We love our neighbors and our neighborhood!

We have an email list to keep you updated—give us your email please.
